- Covered full-stack development including React, Node.js, Express, MongoDB, REST APIs, and deployment.

SOFT SKILLS

- Problem Solving
- Team Collaboration
- Attention to Detail
- Time Management
- Fast Learner

EDUCATION

Bachelor of Commerce (B.Com)
Indira Gandhi National Open University (IGNOU)
Expected Graduation: [2027]

PROFILE

I am a motivated and detail-oriented MERN stack developer with a strong foundation in building responsive, user-friendly, and visually appealing full-stack web applications. Proficient in modern technologies like MongoDB, Express.js, React, Node.js, and styling tools like Tailwind CSS and Bootstrap, I am passionate about creating intuitive user interfaces and developing robust back-end systems to deliver seamless end-to-end user experiences.

TECHNICAL SKILLS

- **Frontend** : React.js, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS, Bootstrap
- **Backend** : Node.js, Express.js
- **Database** : MongoDB, Firebase
- **Version Control** : Git, GitHub.
- **Tools & Platforms** : VS Code, Postman, Netlify, Vercel, Render
- **Other** : RESTful APIs, Responsive Design, Firebase Authentication, Mongoose, npm

PROJECTS

E-commerce Website (React, Tailwind CSS)

- Developed a responsive e-commerce front-end with dynamic product listings, cart, and filtering features.
- Integrated product search, filtering, and sorting with local state management.

Quiz Management System (React + Firebase)

- Built an interactive quiz system where users can create, take, and review quizzes.
- Implemented Firebase Authentication and Firestore for real-time data syncing.

Real-time Chat App (React, Tailwind CSS, Firebase)

- Designed and developed a chat application with live messaging using Firebase real-time database.
- Included user authentication, chat rooms, and UI animations.

Product Management System (MERN Stack)

- Developed admin functionalities for adding, updating, deleting, and managing products.
- Implemented dependent category dropdowns with parent, sub, and sub-sub levels.
- Added image upload and status toggle features.
